

PIONEERS OF INDIAN CUISINE

We roast and grind our spices in-house and use natural flavours and colouring - never artificial versions - meaning every one of our dishes is unique in flavour.

We no longer cook with Ghee, making our dishes lower in fat and suitable for our health-conscious customers.

We source Red Tractor meat, meaning the chicken and lamb we serve has been reared free range in Britain.

BRING YOUR OWN BOTTLE

Instead of charging for alcohol, we've introduced a corkage fee of £2.75 per person.

INDIAN MOMENT PROMOTES RESPONSIBLE DRINKING.

You will be allowed to bring your own alcohol to a maximum of; **1 x bottle of Wine or Champagne** (max. 750ml); or **2 x bottles/cans of Beer or Cider** (max. 500ml each) per person. Wine boxes will be permitted if allocated across your party to the limits above. This offer excludes spirits or soft drinks.

Our management may restrict quantity of alcohol consumed, according to food consumption. Our management also reserves the right to halt consumption if they feel guests are too intoxicated. This also includes the right to remove drinks from the table and return them only when guest/s depart.

ALLERGIES, INTOLERANCES AND DIETARY REQUIREMENTS

Our dishes are made in food preparation areas where all allergens are present and are in constant use. We only declare allergens on our menu if they are intentionally added to a dish.

While we make every effort to prevent cross contamination in our kitchen, we cannot guarantee that any dish is 100% free of any specific allergen and we assume no liability for any adverse reactions.

For customers with serious allergies, it is important to recognise that there may still be traces of allergens present in the food from airborne contamination and therefore may not be suitable for to eat.
